___, Engineer.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights. It is understood that the 0.50 c.f.s. of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed ___0.50___ cubic feet per second.

Actual construction work shall begin on or before___ May 1, 1937

Proof of commencement of work shall be filed before___ June 1, 1937

Work must be prosecuted with reasonable diligence and be completed on or before___ May 1, 1939

Proof of completion of work shall be filed before___ June 1, 1939

Application of water to beneficial use shall be made on or before___
___ May 1, 1940 ___. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 1, 1940

Map Filed *August 17, 1934.*

Cancelled **MAY 19 1938** because of failure WITNESS MY HAND AND SEAL this ___ 15th ___ day
applicant to comply with provisions of permit.
